Project Description (Proposed actions, location, and/or consequences).

Stanislaus County has prepared a Notice of Preparation (NOP) of a program environmental impact report (PEIR) evaluating the effects of development within the Salida Community Plan Amendment Area. The PEIR will evaluate the potential direct, indirect, and cumulative environmental impacts of development within the Amendment Area of the Salida Community Plan and identify feasible mitigation measures or alternatives that may lessen or avoid any significant impacts. Responsible Agencies, which are public agencies other than the County that also have a role in approving or implementing the community plan, may consider the PEIR prepared by Stanislaus the County when issuing permits or other approvals for the implementation of the community plan.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Unknown at this time.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
