Exempt Status: *(check one)*

- Ministerial [Sec. 21080(b)(1); 15268];
- Declared Emergency [Sec. 21080(b)(3); 15269(a)];
- Emergency Project [Sec. 21080(b)(2); 15269(b)(c)];
- Categorical Exemption: [Section 15303 (d)(e), Class 3, New Construction or Conversion of Small Structures,]
- Statutory Exemptions.

Reasons why the Project is exempt:

Section 15303(d)(e) Class 3: The proposed project consists of the construction of a 40-foot diameter splash pad within the existing Ayala Park. Class 3 involves the construction and installation of small facilities or structures, such as water supply facilities, small parking lots, and similar minor structures. For a splash pad, this exemption would generally apply as it involves the construction of a relatively small-scale recreational facility. This project will not have significant impacts on the environment due to its small size and scope.
