Storm Water Master Plan Update – The City of Chico is proposing to adopt an update to the Storm Water Master Plan (SWMP), which will guide future infrastructure decisions over the next 20 years. The proposed SWMP Planning Area covers the entire City of Chico in Butte County, California.

An Initial Study for environmental review has been prepared for the project. Based upon the information within the Initial Study, the Public Works – Engineering Department is recommending that a Negative Declaration be adopted for the project pursuant to the California Environmental Quality Act (CEQA). A Negative Declaration is a determination that a project will not have a significant impact on the environment. A 30-day public review period is being conducted on the Draft Initial Study / Proposed Negative Declaration (IS/ND) commencing on **September 5, 2024, and ending at 5:00 p.m. on October 1, 2024.** The document and all applicable technical appendices may be reviewed at the City's website at: <https://chico.ca.us/Departments/Public-Works/SewerStorm-Drain-Engineering/Storm-Water-Master-Plan-Update/index.html>.
