Project Description (Proposed actions, location, and/or consequences).

The project would modernize and expand the existing adult education facilities at the Rosemead Adult Education and Transition Center to provide additional education opportunities. The school is located at 4105 Rosemead Boulevard, Rosemead, California and the project would add approximately 20,000 square feet of education space, as well as modernize and update the existing 2-story facility to current safety standards (including ADA and fire codes) and to meet current programming needs.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

No significant or potentially significant effects have been identified.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No areas of controversy are known.

Provide a list of the responsible or trustee agencies for the project.
