Project Title: Twin Pines Park Belmont Creek Restoration Project

DEC 05 2024

Project Applicant: City of Belmont

Project Location (include county): City of Belmont, San Mateo County

MARK CHURCH, County Clerk

Project Description:

By MARIA GALLARDO
Deputy Clerk

The Project restores a 458 LF segment of Belmont Creek in Twin Pines Park by stabilizing eroded sections using biotechnical treatments. Specific actions include widening the channel, raising the streambed, grading the bank, and constructing riffles. The stream restoration activities would improve water quality and enhance habitat and ecologic conditions along the creek. In addition, the Project would help alleviate downstream flooding and sedimentation, improve, and improve public safety.

This is to advise that the City of Belmont has approved the above (Lead Agency or Responsible Agency)

described project on 11/27/2024 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
