Subject: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number: 2024090635

Project Title: Foster City Climate Action Plan 2024 Update

Project Applicant: City of Foster City

Project Location (include county): Citywide. Foster City is in San Mateo County, midway between the cities of San Francisco and San Jose. It is bordered by San Francisco Bay to the north and east, the cities of Belmont and Redwood City to the south, and the City of San Mateo to the west.

Project Description: The 2024 CAP delineates a comprehensive roadmap for greenhouse gas emissions reduction across two pivotal sectors: 1) energy and water and 2) transportation and land use. Additionally, it emphasizes two additional sectors focusing on (3) waste and consumption and (4) climate resiliency and leadership, recognizing the imperative of fortifying the city against impending climate hazards. Acknowledging that even complete elimination of emissions today won't preclude future climate impacts, Foster City underscores the necessity of fortifying resilience against rising sea levels, heightened temperatures, and exacerbated fire risks. The 2024 CAP articulates a strategic blueprint for proactively developing a climate change resiliency plan to address these challenges. By achieving the objectives in this 2024 CAP, the City will reach the first milestone target of at least a 50 percent reduction in GHG emissions below 2005 levels by 2030. Achieving this first milestone will help the City reach the next target of an 85% reduction by 2045. The 2024 CAP meets the requirements contained in CEQA Guidelines Section 15183.5(b)(1) for a CEQA-Qualified CAP for streamlined review of development projects.

This is to advise that the City of Foster City as Lead Agency has approved the above described project on November 18, 2024 and has made the following determinations regarding the above described project:

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.

A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.

3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A Statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made for the project pursuant to the provisions of CEQA.

This is to certify that the Negative Declaration or Final EIR with comments and responses and record of project approval is available to the General Public at the Community Development Department, City Hall, 610 Foster City Boulevard, Foster City, CA 94404.
