Statutory Exemptions. State code number: _____

The proposed new weight room is exempt from CEQA under Class 3, *New Construction or Conversion of Small Structures* (Section 15303). The proposed project will be constructed on a vacant portion of the campus located directly south of the football field. The proposed project will include the implementation of a new shade structure outside of the proposed new wight room, that will serve the existing student population at Etiwanda HS, and will not increase student capacity on the campus. Therefore, the proposed project is exempt from CEQA under Section 15303.

CEQA: California Environmental Quality Act

The proposed project is exempt from CEQA under Class 14, *Minor Additions to Schools* (Section 15314). The new weight room will be located within the existing school campus and will improve the athletic facilities for student athletes. The proposed project will not include the addition of new classrooms or increase the student capacity on the campus. Therefore, the proposed project is exempt from CEQA under Section 15314.

The proposed project was also reviewed for possible exceptions under Section 15300.2 and found that the exceptions do not apply.
