Project Title: Vallejo Yacht Club Maintenance Dredging Project (Notification of Lake or Streambed Alteration, No. EPIMS-SOL-47772-R3)

Project Location (Napa): The Project is located at the Napa River in the Vallejo Yacht Harbor marina at 485 Mare Island Way in the City of Vallejo, County of Solano, State of California; Latitude 38.10511°N, Longitude - 122.266627°W; Assessor's Parcel Number 0055-160-370, 0055-160-360, and 0055-160-410.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement EPIMS Notification No. EPIMS-SOL-47772-R3, pursuant to Section 1602 of the Fish and Game Code to Vallejo Yacht Club, Inc. as represented Robert Lockhart.

The Project is limited to dredging mud of the Vallejo Yacht Club marina. The design dredging depth is -10 feet mean lower low water, plus a 2-foot overdredge allowance, and is expected to be completed within two dredging episodes. Portions of the 5.7-acre dredge area would likely be dredged to shallower depths depending on the area's required use and the owner's budget. The maximum dredge volume (i.e., maintenance dredging and knockdowns) is 125,000 cubic yards. This is the maximum volume that would be dredged over the life of the Agreement, and all dredging or knockdowns would be within the dredge boundary. A barge mounted clamshell dredge or excavator will be used to excavate the material, which will be immediately loaded into scows or barges and disposed of at sites approved by the Dredged Material Management Office.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying Out Project: Vallejo Yacht Club, Inc

Exempt Status:

- Statutory Exemption.
- Categorical Exemption. Type – Class 4; California Code of Regulations, title 14, section 15304, subdivision (g)

Reasons why project is exempt: The project is a minor alteration to land consisting of maintenance dredging where the spoil is deposited in a spoil area authorized by all applicable state and federal regulatory agencies.
