SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: N/A

Project Title: Timber Harvest Plan "Bear Valley Ranch" 1-24-00079 SCR (Streambed Alteration Agreement No. EPIMS-SCR-52297-R3)

Project Location (include county): The project is located at French Gulch and tributaries to Valencia Creek in Santa Cruz County, Shoquel Augmentation Section, Township 10S and 11S, Range 1E, U.S. Geological Survey (USGS) map Loma Prieta, Mount Diablo base and meridian. The project area is located within the Valencia Creek Planning Watershed, which consists of approximately 8,399 acres draining to Aptos Creek.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number EPIMS-SCR-52297-R3 pursuant to section 1602 of the Fish and Game Code to the project applicant, Dennis Webb, representing Kyle Theriot.

The project is limited to the installation of four culverts and the installation of two rock armored fords, as denoted in the approved 1-24-00079-SCR "Bear Valley Ranch" Timber Harvest Plan.

This is to advise that CDFW, acting as a Responsible Agency, approved the project described above on September 5, 2024 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.

AGREEMENT REGARDING PROPOSED LAKE OR STREAM ALTERATION
NO. EPIMS-SCR-52297-R3**

Dennis Webb
Timber Harvest Plan "Bear Valley Ranch" 1-24-00079 SCR

CEQA FINDINGS

INTRODUCTION:

The California Environmental Quality Act ("CEQA"; Public Resources Code §21000, *et seq.*), and the State CEQA Guidelines ("Guidelines"; 14 Cal. Code Regs. 15000, *et seq.*) require that prior to reaching a decision on a project, a responsible agency must consider the environmental effects of the project as shown in the document prepared by the lead agency.

As the lead agency for the 1-24-00079 SCR "Bear Valley Ranch" Timber Harvest Plan (THP), the California Department of Forestry and Fire Protection (CAL FIRE) certified an environmental impact report on August 26, 2024.

The California Department of Fish and Wildlife ("CDFW") is issuing an agreement regarding proposed Lake or Streambed Alteration to the project applicant, Dennis Webb, representing Kyle Theriot, 1101 Bear Valley Road, Aptos, CA 95003, for the 1-24-00079 SCR "Bear Valley Ranch" THP. The project is limited to the installation of four culverts and two rock armored fords.

CDFW is a responsible agency under CEQA for the purpose of approving the Lake and Streambed Alteration Agreement necessitated by the lead agency's proposed project. As a CEQA responsible agency, CDFW is required by Guidelines §15096 to review the environmental document certified by the lead agency approving the project and to make certain findings concerning the project's potential to cause significant, adverse environmental effects. However, when considering alternatives and mitigation measures approved by the lead agency, a responsible agency is more limited than the lead agency. CDFW has responsibility for mitigating or avoiding only the direct or indirect environmental effects of the Lake and Streambed Alteration Agreement that it approves.

FINDING:

CDFW has considered the environmental impact report prepared by the lead agency. CDFW has independently concluded that the Lake and Streambed Alteration Agreement should be issued under the terms and conditions specified therein. CDFW finds that with the mitigation measures incorporated into the Lake and Streambed Alteration Agreement, there will be no significant effects from the proposed project.

The Project is Approved.
