PROJECT DESCRIPTION

Project Name Here: Prado East Wells Project

Project Location: Project activities are planned to be on parcel APN: 1057-212-17, Chino, California

Project Description: The San Bernardino County Department of Public Works - Special Districts proposes rehabilitating and updating Well No. 3 for the irrigation of 11 acres within the parcel and proposes the construction of a water pipeline from the well to the irrigated site, water tank and electrical.

The Project proposes rehabilitating the existing well with pump, tanks, piping, electrical and bringing the well up to current standards. Project includes SCE connection and underground electrical conduit from the street to the existing well site and installation of a new meter and panel. Project also proposes the installation of an underground of 4-inch water pipeline, which will take water from the well/tank and carry it to the irrigation site.

Exempt Status: (check one)

- Ministerial [Sec. 21080(B)(1); 15268];
- Declared Emergency [Sec. 21080(B)(3); 15269(a)];
- Emergency Project [Sec. 21080(B)(4); 15269(b)];
- Categorical Exemption:
 - Section 15301(b) Class 1: existing facilities;
 - Section 15301(d) Class 1: existing facilities;
 - Section 15302(c) Class 2: replacement and reconstruction;
 - Section 15304(f) Class 4: minor alterations to land.
- Statutory Exemptions. (State code number):

Reasons why project is exempt:

Section 15301(b) Class 1: The proposed project will alter existing public electrical utility to provide electrical to the site. Project will have negligible to no expansion of former use. Section 15301(d) Class 1: The proposed project consists of rehabilitating the existing well for the pumping of water and updating the existing well to current public health and safety standards. Section 15302(c) Class 2: The proposed project consists for the reconstruction of the existing well site to provide water for an irrigation site within the same property with little to no negligible expansion. Section 15304(f) Class 4: The proposed project will have minor alterations of the land for the minor trenching for the installation of underground utilities and will be backfilled with the surface restored.
