Project Description: (please use a separate page if necessary)

The proposed project is a program to address issues related to water quality and water circulation improvements, habitat improvements, and visitor-serving improvements, in Mission Bay Park. The program includes the implementation of the following elements: wetland and water quality improvements, shoreline restoration, expansion of habitat preserves, bicycle and pedestrian improvements, restoration of seawall bulkhead, and deferred maintenance activities.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
