Project Title: Suscol Headwaters Park

Project Applicant: Napa County Regional Park and Open Space District

Project Location (include county): County of Napa, APNs 045-360-013, -014, -022, & 057-030-014, No street address assigned.

Project Description: Adoption of an amended Park Development Plan by the Napa County Regional Park and Open Space District to allow the Suscol Headwaters Park to be improved and operated as a publicly-accessible open space and park and recreational facility. Access would be via a new entrance, +/- 0.75 acre parking lot, and trailhead off North Kelly Road across from Camino Dorado as well as through the existing Napa Solano Ridge Trail connection to Skyline Wilderness Park. Proposed development primarily consists of natural-surface, multi-use, non-motorized trails. Phase 1 of the Suscol Headwaters Park Development Plan was adopted in January 2020, including opening the park to the public through Skyline Park and approval of a trail network north of the main Jameson Canyon ridgeline. This project would expand the Park Development Plan to include Phase 2 development south of the main Jameson Canyon ridgeline including a trail network and a trailhead parking lot located off North Kelly Road, along with making some minor changes to the adopted Phase 1 trail plan. No development is presently proposed in Solano County. The proposed Park Development Plan and additional supporting information are available online at <https://napaoutdoors.org/documents/suscol-headwaters-park-phase-2-park-development-plan/>.
