Project Title: Electric Vehicle Charging Station Project at CHP Shasta

Project Location - Specific: 618 West Jessie Street

Project Location - City: Mount Shasta, CA 96067

Project Location - County: Shasta

Description of Nature, Purpose, and Beneficiaries of Project:

The project consists of installing Electric Vehicle Supply Equipment (EVSE) to provide power for up to four future Electric Vehicle Charging Station (EVCS) ports within the CHP Mount Shasta fleet parking lot. The parking stalls will be stenciled, restriped, and signage provided to note stalls intended for use by a designated vehicles. The project includes installation of buried conduits, fixed bollards, wheel stops, and new electrical equipment including wiring for a complete operational and functional system. Electrical power will be supplied from an existing electrical source provided at the site. All work and waste disposal will comply with existing applicable laws, regulations, and ordinances governing work and work will involve pavement saw cutting, trenching, backfilling, and finishing of affected lot surface restored to original condition. The project would provide infrastructure needed to power EVCS to recharge electric vehicles.

Name of Public Agency Approving Project: California Highway Patrol

Name of Person or Agency Carrying Out Project: Janelle Goulding, Project Director, DGS/Office of Sustainability

Exempt Status: Categorical Exemption Sections 15301 Existing Facilities and 15304 Minor Alterations to Land

Why is Project Exempt:

The project qualifies for Class 1 exemption where repair, maintenance, or minor alterations of existing public structure involves negligible or no expansion of existing use and for Class 4 where project consists of minor public land alterations involving trenching and backfilling where the surface is restored. Project ground disturbance will occur within previously disturbed area and it is limited in scope. The State confirms that the project involves negligible expansion of use beyond that existing at the time of the lead agency's determination and confirms that none of the exceptions apply that would preclude the use of the exemptions.
