Project Description

Project Title: Parker Dam Road Culvert Extension

Project Location: The affected culvert is located on Parker Dam Road, adjacent to the Sunshine Resort Mobile Home and RV Park in the unincorporated community of Parker Dam, San Bernardino County.

Project Description: Recent storms in September have exposed an erosion issue involving two storm drain culverts beneath Parker Dam Road. Storm flows exiting the culverts are eroding the bank because the outlet is too close to the road. As a result, the bank and the edge of the road are beginning to sink, compromising the road's integrity. Project activities include importing excess wash material to create a stable base for the culverts and a minor extension of culvert pipe to convey flows away from roadway and enhance public safety.
