- Declared Emergency [C 21080(b)(3); G 15269(a)]
- Emergency Project [C 21080(b)(4); G 15269(b)(c)]
- Statutory Exemption. C Section:

The Right of Entry Permit between the County of San Diego and the City of El Cajon is categorically exempt from CEQA pursuant to Section 15301 as the it would allow the temporary use (3 days) of an existing parking lot for a temporary seasonal event that would have no permanent effects on the environment and does not involve the expansion or change of the existing use, Section 15304(e) because it involves the minor temporary use of land for a carnival that has a negligible or no permanent effects on the environment, and Section 15311 as it involves placement of temporary use items in generally the same location from time to time at a public facility. Further, none of the exception in Section 15300.2 apply to the project. Additionally, the project will not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impact; will not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of the Government Code; and does not cause adverse change in the significance of a historical resource.
