Project Title: South Sewer Lift Station Rehabilitation/Replacement Project

Project Applicant: City of West Sacramento

Project Location - Specific:

2150 Stone Blvd West Sacramento, CA 95691

Project Location - City: West Sacramento

Project Location - County: Yolo

Description of Nature, Purpose and Beneficiaries of Project:

The South Sewer Pump Station is located on the corner of Park and Stone Boulevard near the port of Sacramento. It receives most of its sewage through Commercial flow. The South Sewer Pump Station was last upgraded/remodeled 2008. A large amount of sewage flowing into the South Sewer Pump Station is causing the long established and already modified pumps/propellers to be overworked and strained. The City envisions a rehabilitated pump station to improve resiliency, efficiency, and maintenance.
