Project Title: PIPS Paralell Force Main Project

Project Applicant: City of Petaluma Public Works Department: Kristin Arnold karnold@cityofpetaluma.org

Project Location (include county): Hopper Street to 3890 Cypress Drive, Petaluma, Sonoma County, CA

Project Description:

The Primary Influent Pump Station (PIPS) Parallel Force Main project would include construction of an approximately 13,000-foot-long new force main that would approximately follow the 12,900-foot-long alignment of the existing City force main from the City's PIPS facility to its termination at the ECWRF. The proposed parallel force main would deviate from the existing force main alignment for approximately 1,000 linear feet to avoid construction across the Azure Apartment Homes. The proposed parallel force main would bypass this property by constructing along Casa Grande Road and Technology Lane. The project would be constructed within the City PIPS and ECWRF properties, as well as vacant land, roadways, parking lots, and existing residential, commercial and industrial development. The project would cross California Highway 101, Sonoma-Marin Area Rail Transit (SMART) railroad tracks, McDowell Creek, and Adobe Creek. Surrounding land uses also include Petaluma Wetlands and trails. The proposed project also includes construction and operation of a multi-use pedestrian and bicycle pathway between Baywood Drive and Casa Grande Road.

This is to advise that the City of Petaluma City Council has approved the above
(Lead Agency or Responsible Agency)
Mitigated Negative Declaration and Mitigation Monitoring and Reporting Program, Resolution No. 2025-018 N.C.S.
described project on Feb. 24, 2025 and has made the following determinations regarding the above
(date)
described project.

- 1. The project [will will not] have a significant effect on the environment, with mitigation
- 2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A ^{Mitigated} Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures [were were not] made a condition of the approval of the project. On Feb. 24, 2025
