Project Title: .

Project Location: The project is located in Mendocino County CA within Section 1, Township 24N, Range 14W, APN 031-030-025 MDBM. The location is within the CalWater watershed Wilson Creek (1111.5000604).

Project Description: As part of Emergency timber harvest notice 1-24EM-00092-MEN, the project is limited to one temporary Spittler crossing of a seasonally dry Class II stream course to be constructed of chocked logs and green vegetation slash on-site with a fabric and rock running surface on top for vehicle use. This temporary crossing will be removed by November 15th and all materials from the crossing installation will be removed and the stream channel will be returned to its natural state at that time. Construction activities will be accomplished with an excavator, dump truck and tractor.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

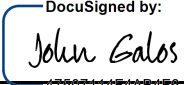

Person or Public Agency Carrying Out Project: Thomas Nolan

Exempt Status:

- Statutory Exemption. State code number
- Categorical Exemption. Type – Class 1 and Class 4; California Code of Regulations, title 14, section 15301 and 15304

Reasons why project is exempt: The project proposes to upgrade an existing informal dry crossing. Potential significant adverse impacts on endangered, rare or threatened species or their habitat pursuant to section 15065 will be avoided. There are no hazardous materials at or around the project site that may be disturbed or removed. The project will not result in impacts that are significant when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.
