Reasons why project is exempt:

This project is exempt because the planned activities meet the definition of "forestry" in PRC § 753, and have been reviewed and approved by a Registered Professional Forester in consultation with experts from other pertinent fields who have attested that the activities proposed in this project will only have the potential for impacts that are, at the most, less than significant to the environment, having provided adequate measures for avoidance of sensitive environmental resources. Project activities will not involve the removal of healthy, mature, or scenic trees, and will not result in a substantial alteration of the current function of the land. Project specific analysis is on file at the Napa RCD.
