SUBJECT: FILING OF NOTICE OF EXEMPTION IN COMPLIANCE WITH PUBLIC RESOURCES CODE SECTION 21108 OR 21152

Project Name: Cactus Park Playground Replacement

Project Location: 10610 Ashwood, Lakeside, CA 92040

Project Applicant: County of San Diego Department of Parks and Recreation, 5510 Overland Avenue, Suite 270, San Diego, CA 92123 (858) 565-3600

Project Description: The project is the replacement of the existing playground at Cactus Park. Other aspects of the project include other improvements such as new fencing for the existing ballfields, restoration of the dugouts, and conversion of the boardroom to a snack bar.

Agency Approving Project: County of San Diego

Date Form Completed: 10/23/24

County Contact Person: Brad Roberts

Telephone: (858) 837-2480

This is to advise that the County of San Diego Board of Supervisors has approved the above-described project on **October 23, 2024 (3)** and found the project to be exempt from the CEQA under the following criteria:

Exempt status and applicable section of the CEQA ("C") and/or State CEQA Guidelines ("G"): (check only one)

- Declared Emergency [C 21080(b)(3); G 15269(a)]
- Emergency Project [C 21080(b)(4); G 15269(b)(c)]
- Statutory Exemption. C Section:
- Categorical Exemption. G Section(s): 15301, 15302, 15303, 15304
- G 15182 – Residential Projects Pursuant to a Specific Plan
- Activity is exempt from the CEQA because it is not a project as defined in Section 15378.
- G 15061(b)(3) - It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment and the activity is not subject to the CEQA.

Statement of reasons why project is exempt: The proposed action to replace a playground at Cactus County Park is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15301, 15302, 15303 and 15304 of the CEQA Guidelines. Section 15301 (Existing Facilities) is appropriate because the Project consists of replacing a playground within existing park facilities involving negligible or no expansion of existing or former use. Section 15302 (Replacement or Reconstruction) is appropriate because the Project consists of replacing a recently removed playground and would have substantially the same purpose and capacity as the structure being replaced. In addition, the new playground will be located on the same site as the current or former playground. Section 15303 (New Construction or Conversion of Small Structures) is appropriate because this section allows for construction of accessory structures. Section 15304 (Minor Alterations to Land) is appropriate because minor ground disturbance would be required to install the new playground structure which would not involve the removal of healthy, mature, scenic trees.

Additionally, the project will not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impact; will not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of the Government Code; and does not cause adverse change in the significance of a historical resource.

The following is to be filled in only upon formal project approval by the appropriate County of San Diego decision-making body.

This Notice of Exemption has been signed and filed by the County of San Diego.

This notice must be filed with the Recorder/County Clerk as soon as possible after project approval by the decision-making body. The Recorder/County Clerk must post this notice within 24 hours of receipt and for a period of not less than 30 days. At the termination of the posting period, the Recorder/County Clerk must return this notice to the Department address listed above along with evidence of the posting period. The originating Department must then retain the returned notice for a period of not less than twelve months. Reference: CEQA Guidelines Section 15062.
