**REASONS TO SUPPORT EXEMPTION FINDING (attach if needed):**

Pursuant to the provisions of the California Environmental Quality Act (CEQA Public Resources Code, Section 21083 et. Seq.), this project meets the criteria for a Categorical Exemption under Section 15301 (Class 1 – Existing Facilities) of the CEQA Guidelines in that the proposed project involves negligible or no expansion of use consistent with the criteria set forth in Section 15301. The removal of existing asphalt or concrete, landscaping, and curb and gutter with the replacement of new raised medians does alter existing public street; however, the project does not add additional vehicular travel lanes; therefore qualifies for a Class 1 (Existing Facilities) exemption and no further environmental review is required pursuant to the California Environmental Quality Act (CEQA) Guidelines Section 15301.
