Project Title: Del Obispo Recycled Water Improvements Project

ORANGE COUNTY CLERK-RECORDER DEPARTMENT

Project Applicant: South Coast Water District

BY: C.H. DEPUTY

Project Location - Specific:

The Project would take place in the City of Dana Point along a portion of Del Obispo Street, beginning at the intersection of Stonehill Drive to the north and extending southward to Park Lantern. Additionally, the Project includes a segment of Quail Run Road.

Project Location - City: Dana Point Project Location - County: Orange

Description of Nature, Purpose and Beneficiaries of Project:

The proposed Del Obispo Street Replacements Project (Project) involves the installation of a new recycled water pipeline along Del Obispo Street and a portion of Quail Run Road in the City of Dana Point (City). The South Coast Water District (SCWD) will serve as the Lead Agency for this proposed Project and will oversee the Project's California Environmental Quality Act (CEQA) compliance. The Project site is surrounded by an urban environment developed with roads, residential and commercial development, and parks and recreational facilities. The Project site would be confined to the roadway right-of-way (ROW). The proposed Project would involve the following activities: construction of approximately 5,165 linear feet (LF) of 12-inch recycled water main; construction of 16 recycled water irrigation service laterals; modification of existing facilities as required to facilitate interface and connection to new improvements; connection of new piping to the existing water system; and removal and replacement of pavement to restore paving and sitework to preconstruction conditions. All improvements would be located within SCWD's water service area and within the City of Dana Point ROW. No temporary access or construction staging outside the street ROW would occur.
