Project Description

The San Francisco Municipal Transportation Agency (SFMTA) proposes implementing pedestrian and bicycle safety improvements on Frida Kahlo Way, between Ocean Avenue and Judson Avenue, and on Judson Avenue between Frida Kahlo Way and Foerster Street. The project would add a two-way protected bikeway (Class IV) on the east side of Frida Kahlo Way and the south side of Judson Avenue within the project limits and implement bicycle signals and pedestrian safety improvements such as painted safety zones and corner sidewalk extensions

(bulb-outs). The project would also include transit prioritization elements such as transit boarding islands and bus-stop consolidation. The project would remove the existing Class II bike lane on the west side of Frida Kahlo Way south of North Access Road. On-street vehicular parking would also be removed to accommodate the protected bikeway, transit boarding islands, and other safety changes.

Determination

The City and County of San Francisco decided to carry out or approve the project on May 7, 2024, when the SFMTA Board of Directors approved the project. The project was officially approved on June 7, 2024, when no appeal of the statutory exemption was filed during the 30-day appeal period. A copy of the documents may be examined at the Planning Department, 49 South Van Ness Avenue, Suite 1400, San Francisco, CA, 94103 in file no. 2023-008167ENV.
