**Subject:** Environmental Document Review – SCH # 2024110071 – Due to Lead Agency by 12/04/2024

Greetings,

Special Projects Section (SPS) recently received the referenced Notice of Environmental

Impact document from the State Clearinghouse (SCH) outlined in the following Web site:

[Ramona Land Development Project](#)

Due to the project's geographical proximity, please use the attached checklist to assess its potential impact to local operations and public safety. **If impact is determined**, responses should be e-mailed directly to the Lead Agency with cc to SCH and myself. **If there is no impact**, please do not include SCH or the Lead Agency in your response.

For more information on the EIR review process, please check out:  [Commanders EIR Training.pdf](#).

Please feel free to e-mail me if you have any questions.

Thank you,

*Christine Lemonds*, AGPA
