Project Description: (please use a separate page if necessary)

The City of Chowchilla is preparing the Chowchilla Industrial Specific Plan ("Specific Plan" or "Project") to support the growth of new light and heavy industrial type uses, including e-commerce facilities, distribution centers, and manufacturing facilities, along with commercial uses supporting travelers, employees of the industrial park, and residents of Chowchilla. The Specific Plan will establish development policies, land use regulations, design standards and guidelines, and an implementation plan to guide the orderly growth of the existing and new industrial uses in the City of Chowchilla's approximately 2,893-acre Industrial Park ("Plan Area"). The EIR will evaluate potential impacts associated with development that could occur within the Plan Area, consistent with the proposed Specific Plan

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
