

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: Tom Bates Regional Sports Complex Restrooms and Community Space

Lead Agency: City of Berkeley - Parks, Recreation and Waterfront Division

Contact Name: Jesus Espinoza

Email: jespinoza@berkeleyca.gov Phone Number: 510-981-6708

Project Location: 400 Gilman Street, Berkeley, CA 94710, County of Alameda

City

County

Project Description (Proposed actions, location, and/or consequences).

The City of Berkeley Parks, Recreation & Waterfront Division proposes implementing various new elements to the existing Tom Bates Regional Sports Complex. The proposed conceptual layout includes a new Community Space Facility with restrooms, multi-use room and storage room; new soccer field for players under the age of 8 (U8), eight pickleball courts and bleachers for two of the courts; reconfigured parking lot to add more stalls and electric vehicle (EV) charging stations and temporary lot during construction; bicycle racks and lockers and walkways that are compliant with the Americans with Disability Act (ADA); stormwater bioretention features and landscaped areas; new electric service and a sanitary sewer lift station.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The Initial Study identifies the following potentially significant impacts: Biological Resources, Cultural Resources, Hazards and Hazardous Materials, and Mandatory Findings of Significance. Mitigations are recommended to address all of the identified potentially significant impacts. The recommended mitigation measures would reduce identified potentially significant impacts to less than significant:

BIO-1 - Burrowing Owl Survey Protocol and Mitigation

CR-1 - Inadvertent Discovery of Archaeological Resources.

CR-2 - Inadvertent Discovery of Human Remains.

HAZ-1- Risk Management Plan.

HAZ-2- Water Quality Control Board Coordination.

HAZ-3- Soil Sampling.

HAZ-4- Regulations.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None have been identified.

Provide a list of the responsible or trustee agencies for the project.

San Francisco Regional Water Quality Control Board (SFBRWQCB)
East Bay Regional Park District (EBRPD)
Bay Conservation and Development Commission (BCDC)
