Project Title: Mohawk Mastication Project

Project Applicant: Feather River Resource Conservation District

Project Location - Specific:

T22N R12E S18

Project Location - City: Johnsville

Project Location - County: Plumas

Description of Nature, Purpose and Beneficiaries of Project:

This is a mastication project on private property adjacent to fuels reduction projects that have been completed on Plumas National Forest property. This project will expand these treatments across boundaries and create a more wildfire resilient site for the private property owners and recreators on nearby Plumas National Forest and Plumas Eureka State Park land.

Categorical Exemption. State type and section number: 153304: Class 4 Minor Alterations to Land

Statutory Exemptions. State code number:

Reasons why project is exempt:

This project is located on privately owned lands and fits under Categorical Exemption: 15304 Minor Alterations to the Land (Class 4), which allows minor alteration of vegetation including fuel management activities to reduce volume of flammable vegetation, provided the activities do not result in the taking of endangered, rare, or threatened plant/animal species or cause significant erosion and sedimentation in water. Trees and shrubs targeted for removal will be restricted to those that reduce the vertical and horizontal continuity of fuels, and/or provide for improved ingress/egress in the event of wildfire. The proposed project has been designed to protect resources from potential significant impacts. This project, as designed, is consistent with the use of a Categorical Exemption.
