**Name of Public Agency Approving Project:** Port of Long Beach  
**Name of Person or Agency Carrying out Project:** International Transportation Service, LLC

**Exempt Status: (check one):**

- Ministerial Exemption [Section 21080(b)(1); 15268];
- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]
- Categorical Exemption.  
*State type and section number: Section 15302 Replacement or Reconstruction and Section 15306 Information Collection*
- Statutory Exemption.  
*State code number: Section 15269 (Emergency Project)*

**Reasons why project is exempt:**

Section 15302 Replacement or Reconstruction (Class 2): The Class 2 Categorical Exemption consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. The new replacement high mast light pole will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. All equipment that is removed from the site will be disposed of in a manner that meets all federal, state and local environmental and regulatory requirements.

Section 15306 (Information Collection) (Class 6): The Class 6 Categorical Exemption consists of basic data collection, research, experimental management, and resource evaluation activities which do not result in a serious or major disturbance to an environmental resource. The Project involves performing two Cone Penetrometer Tests to locate and inspect assets below grade which do not result in a serious or major disturbance to an environmental resource.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of Categorical Exemption CEQA Guidelines Section 15302 (Replacement or Reconstruction) and Section 15306 (Information Collection); therefore, the Project is exempt from CEQA and no further environmental review is required.
