

## NOTICE OF EXEMPTION

**To:** County of Los Angeles  
Registrar-Recorder/Clerk  
Business Filing & Registration  
12400 Imperial Highway, Room 1201  
Norwalk, California 90650

**From:** Port of Long Beach  
Environmental Planning Division  
415 West Ocean Boulevard  
Long Beach, California 90802

**Project Title:** Anodes Installation – Harbor Development Permit No. 24-057  
**State Clearinghouse No:**  
**Project Applicant:** Southern California Gas Company  
**Project Location – Specific:** South end of Henry Ford Bridge; Harbor Planning District 4 – Terminal Island  
**Project Location – City:** Long Beach, California **Project Location – County:** Los Angeles County

**Description of Nature, Purpose and Beneficiaries of Project:**

Lower four (4) cast iron anodes into the water to protect existing gas pipelines from corrosion. Attach 100-foot cable to the anodes and splice all cables to the existing header cable.

**Name of Public Agency Approving Project:** Port of Long Beach  
**Name of Person or Agency Carrying out Project:** Southern California Gas Company

**Exempt Status: (check one):**

- Ministerial Exemption [Section 21080(b)(1); 15268];
- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]
- Categorical Exemption.  
*State type and section number: Section 15301 Existing Facilities and Section 15303 New Construction or Conversion of Small Structures*
- Statutory Exemption.  
*State code number: Section 15269 (Emergency Project)*

**Reasons why project is exempt:**

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project involves the installation of cast iron anodes to protect existing gas pipelines involving no expansion of existing or former use.

Section 15303 New Construction or Conversion of Small Structures (Class 3): The Class 3 Categorical Exemption consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. The project involves the installation and attachment of a new cable to four cast iron anodes and the existing header cable.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of Categorical Exemption CEQA Guidelines Section 15301 (Existing Facilities) and Section 15303 (New Construction or Conversion of Small Structures); therefore, the Project is exempt from CEQA and no further environmental review is required.

**Lead Agency**

**Contact Person:** Amy Wong

**Area Code/Telephone/Extension:** (562) 283-7100

**If filed by applicant:**

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project?  Yes  No

**Signature:**  **Date:** 11/11/24 **Title:** Director of Environmental Planning

Renee Moilanen
