

NOTICE OF EXEMPTION

To: County of Los Angeles
Registrar-Recorder/Clerk
Business Filing & Registration
12400 Imperial Highway, Room 1201
Norwalk, California 90650

From: Port of Long Beach
Environmental Planning Division
415 West Ocean Boulevard
Long Beach, California 90802

Project Title: Water Sampler Skid Installation – Harbor Development Permit No. 24-052
State Clearinghouse No:
Project Applicant: Marathon Petroleum Corporation
Project Location – Specific: 820 Carrack Avenue; Harbor Planning District 2 – Northeast Harbor
Project Location – City: Long Beach, California **Project Location – County:** Los Angeles County

Description of Nature, Purpose and Beneficiaries of Project:

Installation of two (2) 8-foot x 15-foot water sampler skids. One sampler skid will be installed at Berth B86 on the topside of the dock, surrounded with a 6-inch-high curb. The second skid will be placed at Berth B84 on a new 2-inch thick 10-foot x 18-foot concrete containment pad with 6-inch-high curbs. New 4-inch piping will be connected to the existing piping for both skids and power and control wiring will be connected to existing sources.

Name of Public Agency Approving Project: Port of Long Beach
Name of Person or Agency Carrying out Project: Marathon Petroleum Corporation

Exempt Status: (check one):

- Ministerial Exemption [Section 21080(b)(1); 15268];
- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]
- Categorical Exemption.
State type and section number: Section 15301 Existing Facilities and Section 15303 New Construction or Conversion of Small Structures
- Statutory Exemption.
State code number: Section 15269 (Emergency Project)

Reasons why project is exempt:

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project involves installation of water sampler skids, a containment pad, and piping to existing facilities involving negligible or no expansion of existing or former use.

Section 15303(d) New Construction or Conversion of Small Structures (Class 3): The Class 3 Categorical Exemption consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. The project involves installation of new water sampler skids, a containment pad, and piping involving a limited number of new small structures and equipment.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of Categorical Exemption CEQA Guidelines Section 15301 (Existing Facilities) and Section 15303(d) (New Construction or Conversion of Small Structures); therefore, the Project is exempt from CEQA and no further environmental review is required.

Lead Agency

Contact Person: Amy Wong

Area Code/Telephone/Extension: (562) 283-7100

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project? Yes No
