**From:** California Energy Commission  
 715 P Street  
 Sacramento, CA 95814

**Project Applicant:** County of Nevada

**Project Title:** Design and Planning for the Installation of Electric Vehicle Charging Stations Serving Nevada County Facilities

**Project Location – Specific:**

County Government Center	950 Maidu Ave. Nevada City
Wayne Brown Correctional Facility	925 Maidu Ave. Nevada City
Madelyn Helling Library	980 Helling Way, Nevada City
Facilities Service Center	10014 N. Bloomfield Road, Nevada City
County Storage Facility	12740 Loma Rica Drive, Grass Valley
Brighton Greens	988 McCourtney Road, Grass Valley
Crown Point	500 Crown Point Circle, Grass Valley
McCourtney Road transfer station	14741 Wolf Mountain Road, Grass Valley
Nevada County Airport	13059 John Bauer Ave. Grass Valley
Nevada County Operations Center	12350 La Barr Meadows Road, Grass Valley
Lake of the Pines Water Treatment Facility	10984 Riata Way, Auburn
Lake Wildwood Water Treatment Facility	12625 Pleasant Valley Road, Penn Valley
Sheriff’s Office Regional Dispatch and Training Facility	15434 CA 49, Nevada City
Truckee Library	10031 Levon Ave. Truckee
Joseph Government Center	10075 Levon Ave. Truckee
Gold Country Senior Services Center	231 Colfax Ave. Grass Valley

**Project Location – County:** Nevada County

**Description of Nature, Purpose and Beneficiaries of Project:**

The California Energy Commission grant agreement EECBG-24-001 with County of Nevada for a \$700,000 to support development of an educational campaign for zero emission vehicles (ZEV); design of ZEV charging infrastructure at 16 county and community partner facilities; and adjustment of county agency permitting processes, codes, and statutes.

**Name of Public Agency Approving Project:** California Energy Commission

**Name of Person or Agency Carrying Out Project:** County of Nevada

**Exempt Status: (check one)**

- Ministerial Exemption (Pub. Resources Code § 21080(b)(1); Cal. Code Regs., tit. 14, § 15268);
- Declared Emergency (Pub. Resources Code § 21080(b)(3); Cal. Code Regs., tit. 14, § 15269(a));

Authority cited: Sections 21083 and 21110, Public Resources Code. Reference: Sections 21108, 21152, and 21152.1, Public Resources Code.

Emergency Project (Pub. Resources Code § 21080(b)(4); Cal. Code Regs., tit. 14, § 15269(b)(c));

Categorical Exemption. State type and section number

Cal. Code Regs., tit. 14, § 15301 ; Cal. Code Regs., tit. 14, § 15306

Statutory Exemptions. State code number. 14 CCR 15262

Common Sense Exemption. (Cal. Code Regs., tit. 14, §15061(b)(3))

**Reasons why project is exempt:**

Per Cal. Code Regs., tit. 14, § 15306 projects consisting of basic data collection, research, and resource evaluation activities which do not result in a serious or major disturbance to an environmental resource. This project involves community outreach, design of ZEV charging infrastructure at 15 existing County-owned locations and one existing public facility, and development of cost estimates and an implementation plan. The project also includes identifying gaps and updating local guidelines for EV charging infrastructure. The proposed project's outreach and planning activities will have no significant effect on the environment and fall within the categorical exemption of section 15306.

California Code of Regulations, title 14, section 15301 provides that projects that consist of the operation, repair, maintenance, permitting, licensing, and minor alteration of existing public or private structures, facilities, and mechanical equipment, involving negligible or no expansion of use, are categorically exempt from the provisions of CEQA. This project involves designing, planning and permitting for EV charging infrastructure at 16 existing facilities sites. The planning for EV charging will support existing fleets and public use of the existing facilities and would be considered a negligible expansion of use. Therefore, the project falls under Section 15301 and will not have a significant impact on the environment.

Cal. Code Regs., tit. 14 § 15262 applies projects involving only feasibility and planning studies for possible future actions which the agency, board, or commission has not approved, adopted, or funded does not require the preparation of an environmental document. This project involves community outreach, design of ZEV charging infrastructure at existing County-owned locations, cost estimates and an implementation plan and will not have a significant impact on the environment

The project will not impact an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies; do not involve any cumulative impacts of successive projects of the same type in the same place that might be considered significant; do not involve unusual circumstances that might have a significant effect on the environment; will not result in damage to scenic resources within a highway officially designated as a state scenic highway; the project sites are not included on any list compiled pursuant to Government Code section 65962.5; and the projects will not cause a substantial adverse change in the significance of a historical resource. Therefore, none of the exceptions to categorical exemptions listed in CEQA Guidelines section 15300.2 apply to this project, and these projects will not have a significant effect on the environment.

**Public Agency**

**Contact Person:** Lien Huynh **Area code/Telephone/Ext:** 916-246-8252

**If filed by applicant:**

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project?  Yes  No

**Signature:** *Lien Huynh* **Date:** 11-19-2024 **Title:** Contract Agreement Manager

**Signed by Public Agency**
