Project Title: Sewer Line Relocation - Clay Street to Locust Avenue Project

FEB 18 2025

Project Applicant: City of Placerville

Project Location (include county): City of Placerville, El Dorado County

JANELLE K. HORNE, Recorder-Clerk
By: Michelle Whitford

Project Description:

The City will relocate a 16-inch sanitary sewer trunk line. It will be intercepted in Locust Avenue between Main Street and the El Dorado Trail and rerouted within El Dorado Trail, connecting to the existing 24-inch Trunk east of Clay Street. The sewer laterals will be replaced with new connections. The existing 16-inch pipeline and manholes will be removed from the creek and the creek bottom restored.

This is to advise that the City of Placerville has approved the above (Lead Agency or Responsible Agency)

described project on 2/11/2025 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Placerville City Hall
