Project Description: *(please use a separate page if necessary)*

The project consists of replacement of two water tanks, replacement of all water transmission lines, installation/replacement of water meters, and potential future work to increase resilience of the system. The project is located in the Burnt Ranch Estates, and is surrounded by national forest land on all sides but to the north, which abuts private property.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
