Subject: Request for Update to Document Description for NOD Posting (SCH Number: 2024110892)

The City of Mountain View recently submitted a Notice of Determination (NOD) for the project at 2645- 2655 Fayette Drive with the SCH number 2024110892, posted on 11/25/2024. Unfortunately, the "Document Description" listed in the posting is incorrect.

We kindly request that the "Document Description" be updated to reflect the accurate description of the project as outlined in the 2024 project NOD. The correct description is as follows:

Document Description:

The project includes a request for a Planned Community Permit, Development Review Permit, Heritage Tree Removal Permit, and Vesting Tentative Map to demolish six existing dwelling units and a 6,900 square foot commercial building to construct a seven-story, 70-unit condominium development (20% affordable) above a subterranean parking garage, and a Provisional Use Permit for a roof deck above the third floor, on a 0.67-acre project site. An addendum to a previously prepared Mitigated Negative Declaration was prepared.

We would request if the update could be made as soon as possible, ideally before the Thanksgiving break.

If you have any questions or need further clarification, please feel free to contact me at diana.pancholi@mountainview.gov or (650)-903-6306.

Thank you for your prompt attention to this matter.
