

NOTICE OF EXEMPTION

TO: Santa Barbara County Clerk of the Board of Supervisors

FROM: Greg Vine – Associate Planner, Community Development Department

The project or activity identified below is determined to be exempt from further environmental review requirements of the California Environmental Quality Act (CEQA) of 1970, as defined in the State Guidelines for the implementation of CEQA.

APN: 111-231-017 **Project No.:** SP2024-0013

Location: Municipal Water Well 12S

Project Title: Municipal Water Well 12S Rehabilitation

Project Applicant: CITY OF SANTA MARIA DEPARTMENT OF UTILITIES

Project Description: The project consists of soliciting a professional water well drilling service company to inspect, evaluate, and perform maintenance on City production Well 12S. All work will take place within the fenced area of Well 12S and City right-of-way. Scope includes mobilization and demobilization, pump disassembly and modifications, downhole inspection, well performance testing, water sampling, well rehabilitation, and packer installation.

Name of Public Agency Approving Project: CITY OF SANTA MARIA

Name of Person or Entity Carrying Out Project: Christos A. Stoyos

Exempt Status:

- Ministerial
- Statutory Exemption
- Categorical Exemption
- Emergency Project
- Declared Emergency

Cite specific CEQA and/or CEQA Guidelines Section: This is a Class 1 (Existing Facilities) categorical exemption based on Section 15301 of the CEQA Guidelines

Reasons to support exemption findings: The project is to maintenance on and rehabilitate existing facilities involving negligible or no expansion of capacity, and will have substantially the same purpose and capacity as the structure replaced. The proposed project does not involve unusual circumstances, including future activities, resulting in or which might reasonably result in significant impacts which threaten the environment. No further environmental review is required.

The exceptions to the categorical exemptions pursuant to Section 15300.2 of the State CEQA Guidelines are:

- (a) Location. Classes 3, 4, 5, 6, and 11 are qualified by consideration of where the project is to be located – a project that is ordinarily insignificant in its impact on the environment may in a particularly sensitive environment be significant. Therefore, these classes are considered to apply all instances, except where the project may impact on an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies.**

The project is utilizing a Class 1 exemption. Therefore, this exception does not apply to the project.

- (b) Cumulative Impact. All exemptions for these classes are inapplicable when the cumulative impact of successive projects of the same type in the same place, over time is significant.**

The project is utilizing a Class 1 exemption. Therefore, this exception does not apply to the project.

- (c) Significant Effect. A categorical exemption shall not be used for an activity where there is a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances.**

The project is utilizing a Class 1 exemption. Therefore, this exception does not apply to the project.

- (d) Scenic Highways. A categorical exemption shall not be used for a project which may result in damage to scenic resources, including but not limited to, trees, historic buildings, rock outcroppings, or similar resources, within a highway officially designated as a state scenic highway. This does not apply to improvements which are required as mitigation by an adopted negative declaration or certified EIR.**

The project is utilizing a Class 1 exemption. Therefore, this exception does not apply to the project.

- (e) Hazardous Waste Sites. A categorical exemption shall not be used for a project located on a site which is included on any list compiled pursuant to Section 65962.5 of the Government Code.**

The project is utilizing a Class 1 exemption. Therefore, this exception does not apply to the project.

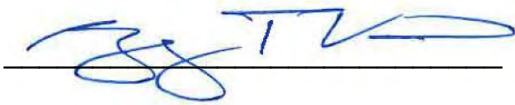

(f) Historical Resources. A categorical exemption shall not be used for a project which may cause a substantial adverse change in the significance of a historical resource.

The project is utilizing a Class 1 exemption. Therefore, this exception does not apply to the project.
