**Exempt Status: (check one)**

- Ministerial [Sec. 21080(b)(1); 15268];
- Declared Emergency [Sec. 21080(b)(3); 15269(a)];
- Emergency Project [Sec. 21080(b)(4); 15269(b)(c)];
- Categorical Exemption. State type and section number: Section 15301 Class 1
- Statutory Exemptions. State code number: \_\_\_\_\_
- Other Exemption: \_\_\_\_\_

Section 15301 Class 1

**Reasons why project is exempt:** The Project proposal to replace an existing well pump with a new well pump and column to increase the production capacity to 1,500 gallons per minute is categorically exempt from the California Environmental Quality Act, (CEQA) per section 15301 Class 1. Class 1 includes existing facilities of both investor and publicly owned utilities used to provide electric power, natural gas, sewerage or other public utility services. The maintenance and minor alteration of the existing water utility involves negligible expansion of the existing use.
