Project Title: North Hollywood Station Mobility Hub

Project Applicant: Los Angeles County Metropolitan Transportation Authority

Project Location - Specific:

The Project area is located at the the existing LA Metro North Hollywood Station and portions of Chandler Boulevard and Lankershim Boulevard in North Hollywood, California.

Project Location - City: Los Angeles Project Location - County: Los Angeles

Description of Nature, Purpose and Beneficiaries of Project:

The Federal Transit Administration (FTA), working in partnership with Los Angeles County Metropolitan Transportation Authority (Metro), proposes improvements at the North Hollywood station to create a mobility hub to support safe and convenient transfers between transportation modes, support first-/last-mile connections to transit, and ensure equitable travel options for those with limited mobility choices (Project). Mobility hubs, which are at signature stations, enable multimodal connections at transfer and terminus points. Project elements are consistent with Metro's North Hollywood Joint Development and Consolidated Transit Center. All Project improvements are anticipated to be within Metro and City of Los Angeles-owned right-of-way.
