Reasons why project is exempt:

This project is exempt under CEQA, pursuant to CEQA Guidelines Section 15061(b)(3), General Rule Exemption. The Environmental Coordinator has determined that it can be seen with certainty that there is no possibility that the proposed project may have a significant adverse effect on the environment. A Notice of Exemption has been prepared pursuant to CEQA Guidelines Section 15062. The applicant has provided a Biological Resources Assessment (David Wolff Environmental, LLC, August 2024) in which standard county practices for pre-construction surveys for nesting birds were recommended at the time of any future proposed development. Additionally, the applicant provided a Cultural Resources Inventory Survey (Cultural Resources Management Services, May 2024) in which the entire surface was inspected, with negative results, concluding that no evidence of prehistoric or historic artifacts, features, or other indications of significant cultural resources were found, with no further archaeological investigations recommended or required.

Additional Information: Additional information pertaining to this notice of exemption may be obtained by reviewing the second page of this document and by contacting the Environmental Coordinator, 976 Osos St., Rm 200, San Luis Obispo, CA 93408 (805) 781-5600.

Pursuant to section 15061 of the State California Environmental Quality Act (CEQA) Guidelines, the preliminary review of a project includes a determination as to whether a project is exempt from CEQA. This checklist represents a summary of this project's review for exemption.

Table with 3 columns: Question, YES, NO. Contains 8 rows of exemption criteria with checkboxes.

On the basis of this initial evaluation, I find that the proposed project does not have the potential to cause a significant effect on the environment, and is therefore exempt from CEQA.
