Project Title: 1220 Long Branch Ave. Residences
Project Location - Specific: 1220 Long Branch Ave.
Project Location - City: Grover Beach

Project Location - County: San Luis Obispo

Description of Project:

The proposed project consists of demolition of the existing structures at the project site, construction of a two-story structure and a three-story structure consisting of a total of 10 townhomes and 2 Accessory Dwelling Units (ADUs). The project also includes a tentative subdivision map to subdivide the property into 10 individual parcels.

Name of Public Agency Approving the Project: City of Grover Beach

Name of Person or Agency Carrying Out the Project: Phillip O'Sullivan

Exempt Status (check one):

- Ministerial (Section 21080(b)(1); 15268;
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b); 15269(b)(c))
- Categorical Exemption. State type and section number: Class 32 (Infill Project)
- Statutory Exemptions. State code number:
- General Rule Exemption (Sec. 15061(b)(3))

Reasons why project is exempt:

The proposed project is Categorically Exempt (Class 32 Section 15332: Infill Project) from the provisions of the California Environmental Quality Act (California Public Resources Code §§ 21000, et seq., "CEQA") and CEQA Guidelines (Title 14 California Code of Regulations §§ 15000, et seq.), because the project consists of the development on an infill lot of a three-story residential development that is consistent with policies and standards applicable to development within the R3 zone. The site is less than five acres in size, with no value as habitat for endangered, rare, or threatened species. The site is within City limits and is served by City utilities and public services. Based on the location, size, and area and quantity of commercial and residential components of the development, approval of the project will not result in any significant effects related to traffic, noise, air quality, or water quality.
