State type and section number: Section 15301 Existing Facilities and Section 15304 Minor Alterations to Land
- Statutory Exemption.
State code number:

Reasons why project is exempt:

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project involves inspecting and repairing existing pipelines involving no expansion of existing or former use.

Section 15304 Minor Alterations to Land (Class 4): The Class 4 Categorical Exemption consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry or agricultural purposes and backfilling where the surface is restored. The Project involves potholing and excavation to inspect and repair existing pipelines and backfilling where the surface will be restored.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of Categorical Exemption CEQA Guidelines Section 15301 (Existing Facilities) and Section 15304 (Minor Alterations to Land); therefore the Project is exempt from CEQA and no further environmental review is required.
