

NOTICE OF EXEMPTION

To: Office of Land Use and Climate Innovation
1400 Tenth Street
Sacramento, CA 95814

From: California Department of General Services - OFAM
1416 Tenth Street, 2nd Floor
Sacramento, CA 95814

Project Title: Office of Fleet & Asset Management State Parking Garage Lot 50 Accessibility Upgrades & Electric Vehicle Charging Stations Project

Project Location – Specific: 1517 11th Street

Project Location – City: Sacramento, CA 95814

Project Location – County: Sacramento

Description of Nature, Purpose, and Beneficiaries of Project:

The project consists of accessibility improvements such that there are no barriers in the path of travel and installation of up to about 61 Electric Vehicle Charging Station (EVCS) units within State Parking Garage Lot 50 . Accessibility parking stalls and "EV" parking stalls will be appropriately stenciled and signage provided to note stalls intended for use by a designated vehicles. The project includes installation of EVCS units, conduits, and new electrical equipment including wiring for a complete operational and functional system. Electrical power will be supplied by connection to existing electrical source provided at the site. All work and waste disposal will comply with existing applicable laws, regulations, and ordinances governing work and work will involve concrete saw cutting, pot holing, backfilling, and finishing of affected surfaces restored to original condition. The project would provide improved accessible path of travel and infrastructure needed to power EVCS to recharge electric vehicles.

Name of Public Agency Approving Project: California Department of General Services - OFAM

Name of Person or Agency Carrying Out Project: Dana Elliot, Associate Architect, DGS

Exempt Status: Categorical Exemption Section 15301 Existing Facilities

Reasons Why Project is Exempt:

The project qualifies for Class 1 exemption where repair, maintenance, or minor alterations of existing public structure involves negligible or no expansion of existing use. The State confirms that the project involves negligible expansion of use beyond that existing at the time of the lead agency's determination.
