Project Title: Yuba City Aquifer Storage and Recovery Well System

Project Applicant: City of Yuba City

Project Location (include county): 701 Northgate Drive, Yuba City, Sutter County, CA

Project Description:

The project would include construction of an aquifer storage recovery (ASR) well at the existing City-owned water treatment plant (WTP). Construction of the proposed ASR well would allow for underground storage of excess treated surface water and for the recharge of the groundwater aquifer during low demand winter months. The water stored in the ASR well could be recovered as needed to meet short-term demands and supplement existing water supplies.
