Reasons why project is exempt:

Lot Merger LOTM-24-02 is not subject to California Environmental Quality Act (CEQA) review pursuant to California Environmental Quality Act, Section 15305, Class 5 and Section 15301, Class 1 of Title 14 of the California Code of Regulations, which exempts from CEQA review projects that consist of minor alterations in land use limitations and projects that are existing facilities, respectively. This project meets the criteria for these exemptions because it consists of the merger of three (3) contiguous parcels into a single parcel, and it consists of the operation, repair, maintenance, permitting, licensing, leasing, or minor alterations of existing private structures or facilities involving negligible or no expansion of the existing or former use. The project is in an area where all public services and facilities are available to allow for maximum development permissible in the General Plan. The area in which the project is located is not environmentally sensitive. The site can be adequately served by all required utilities and public services.
