Project Title: Emergency Waterline Repairs Near Via Azalea – WW25-11(E)	
Project Location – Moorpark, CA	
Project Location - City	Project Location - County
Moorpark	Ventura County
Description of Nature, Purpose and Beneficiaries of Project	
On September 27, 2024, an unexpected failure occurred in an 18" potable water mainline near Via Azalea. The adjacent mobile home park experienced minor flooding on one of their roads as well as under a few mobile homes. The Public Works Agency staff attempted to repair/patch the line, but was unsuccessful due to the fact that the pipe leaked in several other adjacent locations. This project includes taking immediate action to remove and replace approximately 80 feet of compromised line due to pipe corrosion to restore the looped system.
