Project Title: Camp Afflerbaugh Closed-Circuit Television Project

Project Applicant: Los Angeles County

Project Location - Specific:  
6631 Stephens Ranch Road, La Verne, CA 91750

Project Location - City: La Verne Project Location - County: Los Angeles

Description of Nature, Purpose and Beneficiaries of Project:  
Installation of a security system with new Closed-Circuit Television cameras and network infrastructure, including a fiber optic backbone, appurtenant equipment, systems for audio and video management and storage, and infrastructure to migrate the Closed-Circuit Television data to the cloud to minimize the future costs of maintaining and upgrading the data storage hardware. The project also includes installation of new independent cooling systems in the archiver rooms, which will reduce the added heat loads generated by the data recording and storage equipment, and improvements to the electrical infrastructure, including the replacement of subpanels.
