

# Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: Sutter Extension Water District 2025 Water Transfer Program

Lead Agency: Sutter Extension Water District

Contact Name: Mr. Lynn Phillips

Email: lphillips@sutterewd.com Phone Number: (530) 673-7138

Project Location: Yuba City Sutter  
*City* *County*

Project Description (Proposed actions, location, and/or consequences).

The Sutter Extension Water District (SEWD) proposes to sell up to 15,080 acre-feet (AF) of water to the State Water Contractors Inc., or other South of Delta purchasers, including one or more Central Valley Project contractors, or a buyer diverting the transfer water from within or upstream of the Delta (collectively, "Buyers") during the 2025 irrigation season. SEWD proposes to make water available by idling cropland (i.e., non-irrigation of farmland by voluntary participants) and through groundwater substitution. Purchase of the water would lessen potential water supply shortages that the Buyers may occur as a result of dry hydrologic conditions and regulatory restrictions on the pumping in the Delta. Under the proposed project, water made available within the boundaries of SEWD could then be retained and stored in Lake Oroville by the Department of Water Resources for delivery.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

N/A - see attached draft MND.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

N/A

Provide a list of the responsible or trustee agencies for the project.

California Department of Water Resources
