Restoration will include a hydroseed application of native plant species. Caltrans will reopen the outside lane of the EB offramp to Jefferson Street for public use ensuring efficient flow of traffic within the Oceanside community for residents, businesses, and the transport of goods. All work will occur within State right-of-way. Environmental commitments for biological resources, visual resources, air quality, hazardous waste/materials, and NPDES/Stormwater are included in the Environmental Commitments record (ECR).
