

STATE OF CALIFORNIA
FISH AND GAME COMMISSION
MEMORANDUM

DATE: January 6, 2025

TO: Responsible Agencies, Trustee Agencies, and Interested Persons

FROM: Melissa Miller-Henson, Executive Director

SUBJECT: Notice of Preparation of a Draft Environmental Documents for Hunting

The California Fish and Game Commission will be the Lead Agency and the California Department of Fish and Wildlife may prepare an environmental impact report for the project identified below. We need to know the views of your agency as to the scope and content of the environmental information which is germane to your agency's statutory responsibilities in connection with the proposed project.

The project description, location, and the potential environmental effects are contained in the attached materials.

Due to the time limits mandated by State law, your response must be sent at the earliest possible date but not later than 30 days after receipt of this notice.

Please send your response to California Department of Fish and Wildlife, Attn: Melanie Weaver, Waterfowl Coordinator, PO Box 944209, Sacramento, CA 94244-2090. We will need the name for a contact person in your agency.

Project Title: Waterfowl, Coot and Moorhen Hunting

Project Description: Waterfowl, coot, and moorhen, specifically a potential modification to the current hunting regulations which may include season and or bag limit changes and closed seasons.

Project Location: Statewide

Probably Environmental Effects of the Project: The project has no significant or potential significant effects, or proposed mitigation measures that would reduce or avoid that effect.
