Reasons why project is exempt:

The project provides for the repair, refurbishment, and minor alterations of existing facilities involving negligible or no expansion of an existing use and where replacement features will have the same purpose and capacity. Additionally, the project will comply with all applicable regulations, is not located in a sensitive environment, and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste sites compiled pursuant to Government Code Section 65962.5, or indications that the project may cause a substantial adverse change in the significance of a historical resource that would make the exemptions inapplicable.
