Exempt Status: (check one)

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption: CEQA Guidelines Section 15304
- Statutory Exemptions. State code number:

Reasons why project is exempt: Healthy, mature, scenic trees will not be removed in this process. The activities do not result in the taking of endangered, rare, or threatened plant or animal species, or sedimentation to surface waters. This project will not convert forestland to non-forest uses, and all treated vegetation will have the ability to grow back. No significant environmental impact would occur to aesthetics, agriculture and forestland /timberland, air quality, biological resources, geology and soils, greenhouse gas emissions, hazards and hazardous materials, hydrology and water quality, land use planning, mineral resources, noise, population and housing, public services, recreation, transportation/traffic, utilities and service systems, or to wildfire. Benefits include fuel reduction to improve fire resiliency and forest health.
